IN THE CLAIMS

What is claimed is:

1-6.   Cancelled

7.   (Currently Amended) A <u>computerized</u> method comprising:

receiving a user request specifying a desired function;

enabling a transaction device to locate a kiosk that has [[a]] <u>the</u> desired

function; and

providing a direction to a location of the kiosk.

8.   (Original) The method of claim 7, further comprising:

establishing a secure link between the transaction device and the kiosk;

and

accessing functions of the kiosk through the transaction device.

9-13. Cancelled

14.   (Currently Amended) A system comprising:

a kiosk; and

a transaction device to <u>receive a user request specifying a desired function,</u>

<u>to</u> locate the kiosk that has [[a]] <u>the</u> desired function and to provide a direction to

a location of the kiosk.

15.   (Original) The system of claim 14, wherein the transaction device is to

establish a secure link to a kiosk and to access functions of the kiosk.

16.   (Original) The system of claim 15, wherein the transaction device is to access input and output devices of the kiosk.

17-22.   Cancelled

23.   (Currently Amended) The machine-readable medium that provides instructions, which if executed by the processor, cause the processor to perform the operations comprising:

      receiving a user request specifying a desired function;

      enabling a transaction device to locate a kiosk that has [[a]] the desired function; and

      providing a direction to a location of the kiosk.

24.   (Original) The machine-readable medium of claim 23, further providing instructions, which if executed by the processor, cause the processor to perform the operations comprising:

      establishing a secure link between the transaction device and the kiosk; and

      accessing functions of the kiosk through the transaction device.

25-28.   Cancelled
